ERRATUM

Volume 132, page 674. In figure 2 of the paper: A Comparison of the Effects of 11-Desoxycortico-sterone Acetate and 17-Hydroxy-11-Dehydro-Cortico-sterone in Partially De-pancreatinized Rats, by Dwight J. Ingle and George W. Thoru, the values for “urinary glucose” are expressed in tenths of grams. They should be expressed in grams.
