

Corrigendum

Volume 188, February 1957

Page 418: CHARLES R. GOUCHER AND W. KOCHOLATY, "Reflectance Spectra and Some Respiratory Reactions of Bovine, Equine and Human Thrombocytes." By omission of the authors, figure 5 was not included. On this page, line 2 from the top should read "figure 5" instead of 4. The missing figure 5 is represented below.

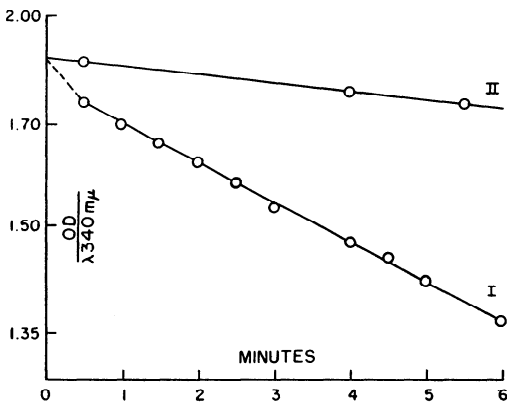

FIG. 5. Oxidation of DPNH by homogenates of bovine thrombocytes and its inhibition by sodium azide. Reaction mixtures: *I*, 0.4 ml homogenate, 1.0 ml DPNH, 1.6 ml 0.1 M phosphate buffer pH 7.0; *II*, 0.4 ml homogenate, 1.0 ml DPNH, 0.6 ml 0.1 M phosphate buffer pH 7.0, 1.0 ml 3.3×10^{-3} M NaN_3 . All reactants were dissolved in 0.1 M phosphate buffer pH 7.0.
